Imagine fair and sustainable work and care policies for the future

Barbara Pocock
Centre for Work + Life
Key Capabilities: ten principles

1. Being able to work
2. Being able to work *and care*
3. Being able to affect working time
4. Being able to live on one’s earnings over life
5. Being able to work with security
6. Being able to exercise skill and experience
7. Being treated and paid fairly, without discrimination
8. Being safe and healthy
9. Being able to combine with others
10. Being able to have a voice at work
